Lived on Cape Cod all my life, attended Dennis –Yarmouth Reginal High School and Cape Cod Community College. Have two sisters, father was the one of the first registry motor vehicles officials on the cape. Joined the airlines and lived in Chicago for a few years. Younger sister got in a tragic car accident which caused permanent brain damage. Not a lot of programs were available at the time, programs started to grow and help us out with my sister Jill's conditions. Got involved with sales and marketing. Didn't want to retire, so I started to work at Cape Organization for Rights of the Disabled (Cord) as a transition coordinator and currently serve as a member on the Lions club.

Paul Canniff: Board of Health

I've been on the Town of Barnstable Board of Health for 15 years took a year off and interested in joining the committee. In the town on Charleston served 26 year on the Board of Health and served on the Historic district for 18 years. My wife and I are members of the Blue Culture Barnstable. Want to be involved as much as I can with the Town of Barnstable. Caught up on a few meetings and have a few ideas to change about certain problems the Board of Health face. The knowledge that I have understanding what goes on in certain committees I have served on, I can help in multiple ways with my past experience.
