Director of Golf Report – Bruce McIntyre

-First some old business from this spring, we recently held the early sign up raffle contest for a free annual pass, range pass and a gift card. Congratulations to those who won.

The winners are as follows; Laurie Elgart- Annual Pass Winner
Kevin Feloney – Range Pass
Horace Thayer – Gift card

-The golf courses have been very busy this summer and we are disinfecting about 8000 carts a month and we are running out of carts sometimes by 11am due to covid regulations. We have staff on to turn carts over as they come in and they have been doing a fantastic job. Last week I attended the Town Council meeting where the CPC funding for the remaining debt at Hyannis Golf Course was voted on and approved. CPC will be taking over starting this year FY 21 and will cover the remaining debt of \$289K for the next five years.

Director of Golf Report continued- Bruce

-The Hyannis Quota league is going strong this year with a total of \$21k in prize money being awarded so far. The OBF Men's Club Championship has finished and Joe Hunt won both the Hyannis and OBF club championships, congratulations. From OBF, Annual Pass Holder Tim Ball Jr. qualified for the Massachusetts Mid-Amateur Championship, congratulations from Barnstable Golf. This Thursday is the last day to sign up for the Senior Club Championship held at both course for all divisions.

-In the first two months of FY21 we are up a total of \$196 with Hyannis up 43% and OBF up 19%.

Geoff asked about the ability of high school teams to use the driving range and course as in years past. Bruce asked him to get in touch with Jesse as space is very limited this year due to covid.

Ken asked about the revenue increase and if we will be able to get the equipment need for next year, Bruce explained we will be working on CIPs for FY 22.

Susanne asked about the crystals for the pin flags to help with distance. Chirs explained it is not a priority for this year.

Director of Golf Maintenance Report – Chris White

-Currently we are reseeding bad spots on the golf courses. OBF collars and greens are starting to come back that we started to seed a couple of weeks ago. We are working hard to get the course back after a very hot summer with no rain. John Cookson asked about the crabgrass that is showing. Chris explained that we cannot spray for it due to the green initiative.

2021 Rates and Fees Discussion – Bruce

-Bruce proposes no changes going into next year. Keith, Ken and Susanne all agree.

Susanne asked about the CIP projects for FY 22, topic discussed.
