## Dear Reader:

Welcome to downtown Hyannis, MA! We are delighted you have chosen to spend time in our beautiful, seaside community.

From the JFK Museum with a wealth of American history to shops and dining for all tastes, there is an array of offerings. Recognizing that our visitors are just like our businesses on Main Street, rich in diversity and abilities, we have developed this dining guide to assist our visitors who may require accommodations.

Our first edition focuses on dining establishments located along the Main Street and Ocean Street areas.

Business establishments listed within this book voluntarily participated in our publication. All information listed for each establishment was provided by the establishment to make dining out easier for those who may require accommodations for a particular disability.

We do hope that you find the dining guide helpful.

If you have any questions or need any information regarding accessibilities, please contact the individual restaurants.
